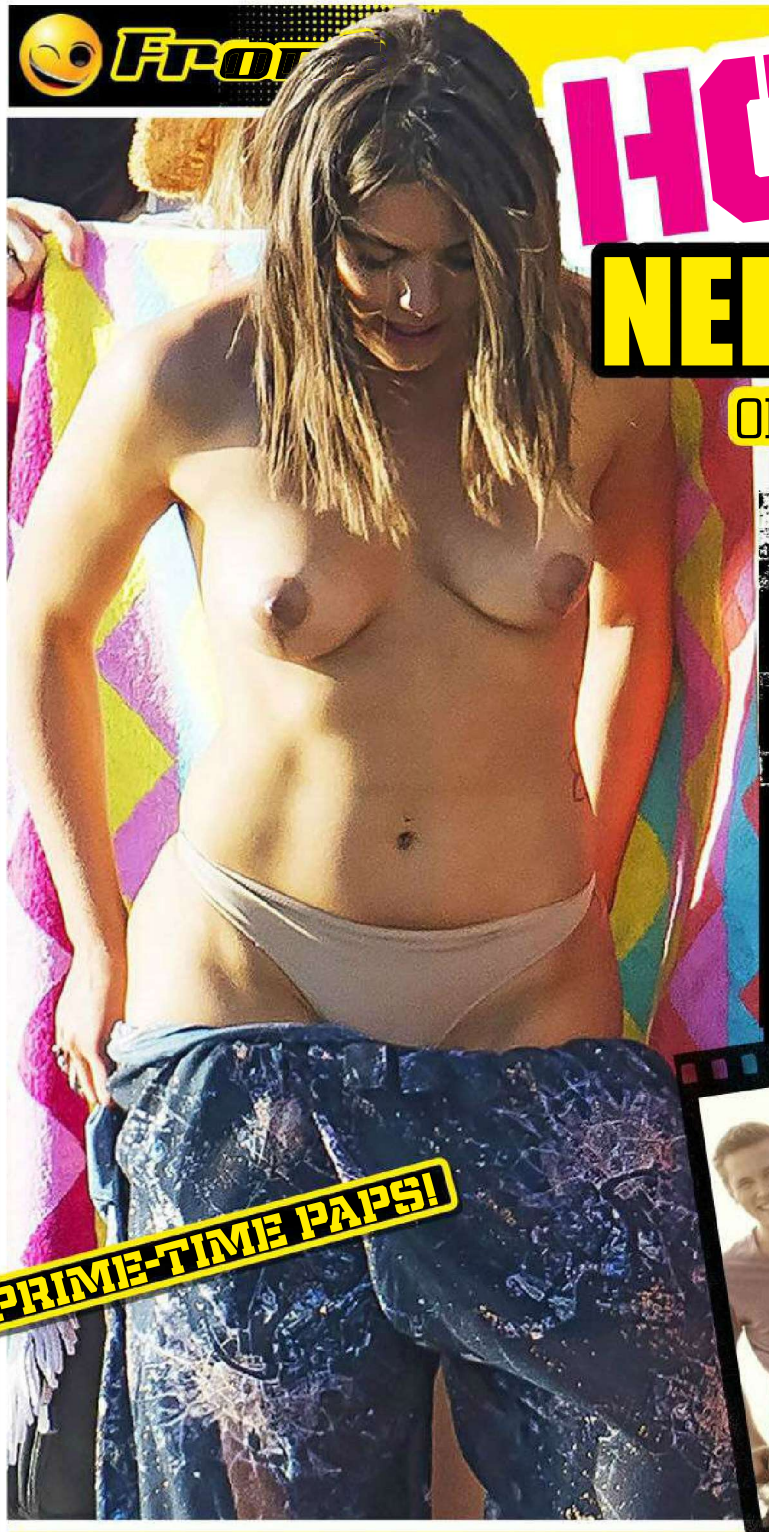
HOWDY!



NEIGHBOURS!

Olympia Valance and her norks-next-door

SOAPIE star Olympia Valance, who plays Paige Smith in *Neighbours*, gave locals at Sydney's Palm Beach an unexpected GEEK at her GAZONGAS the other day.

Olympia was changing her duds during a photo shoot – she also does a bit of modelling on the side – when her NEIGHBOURLY NORBERTS made a break for freedom, only to be snapped for beaut posterity by a passing bird photography enthusiast.

He was probably there to bang of a few frames of a migrating spoonbill, and just happened to catch Oly's ORBISONS by mistake.

Yeah... that'd be it.

Anyway, it being spring and all, we thought it appropriate to give youse something sunshiny and LIFE-AFFIRMING to get into the spirit of the season.

We hope it does the job for ya. ■ Picture

IRRESISTABLE FORCE

Stacey Robyn is the world's hottest Star Wars fan

ENGLISH model Stacey Robyn is a *Star Wars* nut, and we can forgive her for that.

For while many nerds, geeks and sad, pimply no-hopers are also followers of the longest (Christ, how long has it been dragging on!) sci-fi franchise in movie history, they don't bring to the table what she does.

Take, for instance, her planet-sized, E-cup norks. They're big enough to exert a gravitational that can pull most men's eyeballs out of their sockets, which they do frequently.

Her arse is as impressive as an orbiting Death Star, and has probably just as much potential for wanton destruction if used for evil purposes.

WE HAVE LIFT OFF!

Girl Management

Happily, though, Stacey has chosen to be on the side of the good guys, Kirk and Spock and them, boldly going where no man has gone...hang on, sorry, that's *Star Trek*. Our bad.

What we really meant to say is that she's down with the Rebel Alliance, has lots of Ewok buddies and once dated a Wookie (it didn't work out, though, because he refused to 'manscape' and kept leaving hair in the bed).

"I love all things Star Wars. I'm such a huge fan!" she says, so you can see we weren't just taking the Sith. (C'mon. Sith...piss... keep up!)

She comes, surprisingly not from Tatooine, but from a mysterious and seldom-visited minor planet called Milton Keynes, about 70kays outside of London.

There, as a little girl, she grew up dreaming of one day joining the Rebel Alliance and playing with Luke Skywalker's lightsabre, although she shyly admits to sometimes going over to the dark side and often gives herself a vigorous hand solo while visualising herself polishing Darth Vader's helmet.

But to earn a down-to-earth crust, she started modelling for the Pommy men's mags a couple of years ago and now, at 22, is one of the rising stars of the tits-out galaxy, so you can expect to see those beaut big norks orbiting around the joint for many millennia to come.

And we have no problem with that. Nor should you, if you've got any sense.

"If I'm not half naked somewhere having my picture taken, I'll almost definitely be planning my next adventure – probably with *Star Wars* on in the background, ha ha!" she tells us.

Just as long as her tits are along for the ride. Blast off! ■ Picture

BIG FAT PUSSY

IN A city full of fat cats, Samson is the FATTEST FUCKER of them all. The four-year-old Maine Coon kitty weighs a lap-busting 12.7 kg, making him officially New York's MIGHTIEST MOGGIE. Samson lives in Brooklyn with his owner Jonathon Zurbel, seen above lying underneath Samson with a nervous grin on his face. And ya can't blame him for being nervous, cos we reckon if Samson wanted to fuck ya, he'd fucken fuck ya! Sammo's a bit of a star now, with 67,000 followers on Instagram and is in constant demand for personal appearances. He still licks his own arsehole, but.

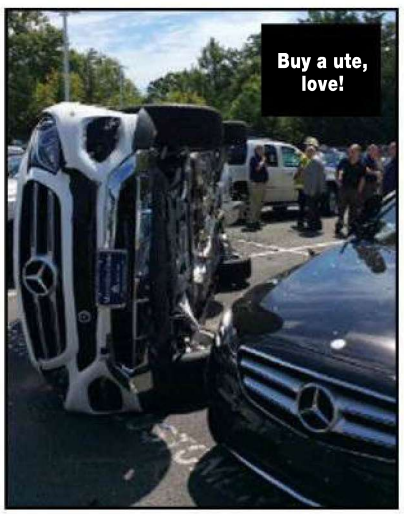
#276 WE DREW A COCK ON IT

MERCEDES BENT!

USUALLY even the CRAPPEST of drivers manages to get their new wheels home before having a stack, Not this sheila, but. Just six seconds into her test drive, and before she even got it out of the dealership's carpark, she stacked this Mercedes SUV, and kinda spectacularly, too. She gunned the pricey crate into four other cars, then somehow managed to flip it on its side. A news website in Virginia, USA, reported she MAY have mistaken the accelerator for the brake, but we reckon she was just figuring out a way to squeeze into it undersized parking spaces. Hope she didn't still buy it, but, 'cos it's damaged.



Buy a ute, love!

CIRC DE BIKE

THEY say what goes round, comes round, and that's certainly true for Karmila Purba, an 18-year-old circus murdersickle rider in Indonesia. Y'see, bastard health and safety regs haven't quite caught on over there, so you still get these beaut 'Wall of Death' shows going round the countryside. Only they call this one 'Tong Setan', or Devil's Barrel' so it's PROBABLY perfectly safe. Karmila and three bloke riders do nightly shows and grab tips out of spectators' hands as they hurtle around sideways to the ground. Give it some jandal, Karmila!

SPINE TINGLING!

THE city of Barranquilla, in the north of Colombia, is a grouse joint, full of stuff to look at and lots of beaut, friendly locals. Unfortunately, some times it can also get a bit STABBY. As this bloke who rocked up to the local hossie asking for a bandaid for this SLIGHT WOUND to the back can tell ya. He wasn't whinging, he just needed a bit of a hand 'cos he couldn't quite reach round to pull it out. You know how it is when you've got an itch? Sorta like that, only more KNIFEY. You could blame the drug trade, but we reckon he was just eating a steak and TRIPPED .

STOP FUCKEN PRESS

FUTURE OF MUSIC

IT'S not often that THE PICTURE endorses a band, mainly because they're mostly shithouse, but we were moved to fucken tears by the heart-wrenching ballads of Dead Kelly (above), whose latest effort, the *Legend of Borry Pt 1*, is gunna top the charts any day. So we sent 'em some mags and they didn't tell us to get fucked. That's a first!

GLASS OF OLD

SEPPO oldster Mildred Bowers celebrated her 103rd birthday the other day by doing something she does EVERY day – chugging down a frosty pint of life-giving BEER. Millie, from South Carolina, has downed a pint a day for as long she can remember and reckons it's the reason she's kicked on past the ton. Even her doctor approves. "I feel OK because I'm in good health. Have a beer, doctor's orders!" she says. On ya, Millie!

GET FUCHED!

Just butt out with your stupid jokes, OK?

NOT since the legendary French men's doubles tennis pairing of Jean Cocque and Pierre Sucre have two sportsmen's names caused such a ruckus.

The juvenile jokes and non-stop TITTERING very nearly soured the whole spirit of the Olympic games when german hockey players Linus Butt and Florian Fuchs came together for this random photo in Rio.

You'd think people would have something better to do that snicker like schoolboys over a couple of perfectly respectable German names.

Mind you, you'd also think Linus and Florian would've learned to keep on opposite sides of the field just in case, but you can't blame them.

They had a game to play. Goals to score. Medals to win.

Come to think of it, given the legendary German sense of humour, they might've actually planned this.

It's just a pity Florian didn't earn himself a red card, then the commentator would've had to have announced: "FLORIAN FUCHS OFF!"

Maybe next Olympics.... ■ Picture

SOUTH COMF

These hot South American porn babes will put fire in ya belly!

NOW the Olympics are finally over (hooray!) we can concentrate on what's REALLY great about South America – the women.

While we appreciate a bit of running, jumping and chucking stuff, it's those hot, coffee-coloured babes with exquisite arses and come-fuck-me eyes that'll get US on a plane to Rio.

And it's not just Brazil. Peru, Columbia and all them South American joints are swarming with spectacular spunks, many of whom have gone on to earn a crust in the wonderful world of porn.

So here are a few hot-as Latina porn stars for youse to go nuts over. Picture

GIZ BIKINI WAX WHILE YOU'RE DOWN THERE!
SHE'S STILL BREAST FED
THAT'S GOLD!

HELLO SAILOR!

Yo ho ho and tits 'n' bums at WA's Ship & Dock pub

Winner Zandalee with her trophy and a big smile

THE big city strip clubs get most of the attention these days, but some non-urban pubs are bunging on some fine flesh fiestas as well.

Take WA's Ship & Dock Inn in Henderson, halfway between Rockingham and Perth.

For the second year they've staged Ship 'n' Strip, a chance for strippers on the pub scene to show their wares. And very fine wares they were, too.

Organised by two-time Miss Nude WA Chante Germaine and hosted by our very own Trinity Porter, the joy-filled occasion pitted teams of disrobers from four of the major agencies aganst other in events such as floor routine, lesbian duo, twerking, pole dancing and the "beer run".

We don't actually know the rules of the beer run, but it involves beer and tits, so it's gotta be good, eh!

After a ferocious battle for the audience's hearts, minds and other parts, the title of Miss Ship 'n' Strip 2016 went to Zandalee Dey'lavee.

"We had a good crowd in and the audience participation was huge," said Chante.

"They were all screaming for their favourites. Lastly we had a strippers-versus-guys tug of war, with the girls topless to distract the guys!"

Isn't that the way all good strip shows should end – with a hearty TUG? ■ Picture

Russian celebrity cloning program UNCOVERED!

THOSE sneaky Russians are up to no good again! We thought we'd kicked their arses in the Cold War, but now they're trying to take over the world again in a much SUBTLER way than threatening to NUKE everybody.

Their latest tactic is to clone famous western actors so they can make Russian versions of hit movies and TV shows on the cheap, and send Hollywood BROKE.

They even knocked up their own bootleg Obama to hand out the gongs at their big movie awards night, known as the "Ivans". Those cunts just won't lie down! ■ Picture

LITTLE Johnny's dad got a call from the boy's teacher to go up to the school for one those talks. "Sir, I'm sorry, but your son does absolutely nothing at school and he's failing in every subject," the teacher said.

"Except for drawing," said Little Johnny's dad. "You have to admit, he's a pretty good drawing stuff."

"Yeah, you've got me there," said the teacher. "In fact, last week he drew a tiger on the blackboard that was so realistic the kids were scared of it and I couldn't get them to go in the classroom."

"That's nothing," said Little Johnny's dad. "Last month he drew a cunt on the wood stove at home that was so fucken real, I burned my dick three times!"

JOKE OF THE WEEK WINS $100

HERB and Mavis lived in a retirement home in adjoining apartments. One day when they were sitting side by side in the sun, Herb said to Mavis, "You know Mavis, I haven't had any sexual action in over 30 years. Would you please do me a favour?"

Suspicious, Mavis looked at him and asked, "What might that be?"

"Would you please hold my cock while we play bingo?" asked Herb.

"I suppose so," said Mavis, "but I won't do anything else."

So for the next couple of months, Mavis held Herb's cock under the table while they played bingo. Then one day, Mavis went into the bingo hall and saw Herb sitting with another woman, who was holding his cock.

"How could you cheat on me, Herb?" Mavis cried. "What has she got that I don't?"

"Parkinson's," replied Herb.

THE RESCUE team had battled its way through the snow to the crashed passenger jet high in the mountains. The first thing they saw was the lone survivor, Rebel Wilson, chewing on what looked like a human thigh-bone, with a huge pile of well-gnawed bones beside her. The rescuers were deeply shocked. Some of them actually turned their faces away and staring vomiting.

"You can't judge me for this," screamed Rebel. "I had to survive! You must understand!"

The leader of the rescue team looked at her pityingly and said, "For Christ's sake, Rebel, the plane only went down yesterday!"

A MAN came home from work, sat down in his favourite chair, turned on the TV and barked at his wife, "Quick! Bring me a beer before it starts!"

She was a bit puzzled by this, but brought him a beer as he asked. He chugged it down, then growled, "Quick! Bring me another beer! It's gunna start real soon!"

This time she looked a little angry, but brought him a beer. When that was gone, he said, "Quick! Another beer, woman! It's gunna start any minute now!"

Finally, the woman blew her top. "That's it, you bastard! You waltz in here, flop your fat arse down, don't even say hello to me and then expect me to run around like your slave! Don't you realize that I cook and clean and wash and iron all day long?"

Then the husband sighed, "Here we go. It's fucken started."

MUNGO'S ON TWITTER

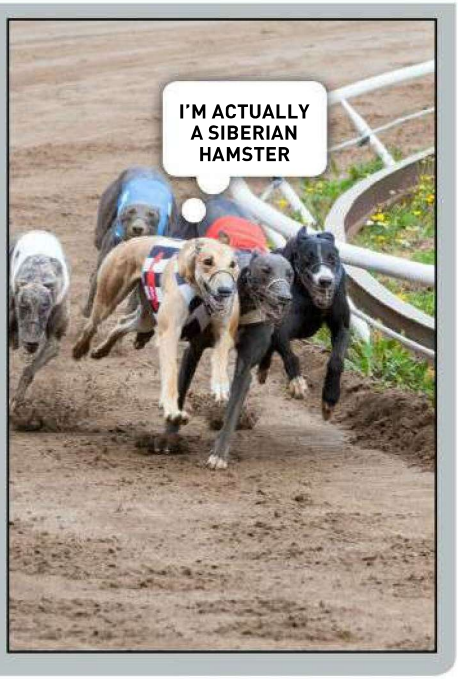
That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done a-big-poo stuff, just my usual classy shit. It's at: https://twitter.com/ThePictureMung

NO MORE DISHLICKERS

MUNGO, due to your past experience with the law you're obviously a man with vast legal knowledge. So if this ban on greyhound racing in NSW goes through, will it apply to all dogs? Say if I bet a tenner on whether my kelpie can beat my mate's kelpie across the paddock, does that mean we'll be in shit with Mike Baird? 'Cos fuck knows, I wouldn't want to break the law.

E.P., GRAFTON, NSW

MUNGO SAYS: Dunno, mate. Dogs is dogs, I guess. Tell ya what, though, if anyone asks, just say they're giant Siberian racing hamsters. No law against hamster racing as far as I know.



ANGE ROCKS

MUNGO, tooling around on the internet on some non-porn sites (yeah, shocking I know!) I came across heaps of stuff about Aussie porn star Angela White. I didn't realise what a brainy babe babe she is, and how articulate. Also, I hadn't realised she'd been in Pizza, one of my favourite Aussie TV shows, playing Ruby, Bobo's love interest in season five. Ya gotta have more of her in the mag!

NORM, BRISBANE, QLD

MUNGO SAYS: Yeah, she's pretty cluey. She's been to uni both here and in France, written papers and stuff. I mean, I've been to uni too, but just to knock off some science equipment, so it probably doesn't count. And she can act with her clothes ON! Fuck, no wonder we love her! Don't worry, she'll be back in the mag soon.

BLESS 'EM ALL!

DEAR Mungo, I love how THE PICTURE doesn't discriminate in Home Girls against the bigger or older ladies. I like both. Big babes with their, plump soft titties always do it for me, and the older, more experienced women with that knowing twinkle in their eyes do, too. Nothing wrong with young, skinny chicks either, but it's good to see that variety in Home Girls. They're all sexy as hell. Keep it up, blokes!

M.L., RICHMOND, VIC

MUNGO SAYS: Glad to hear it, M.L. We are equal-opportunity pervs here at THE PICTURE and always welcome the bouncier babes, as well as the older spunks. Gotta have a smile on their face, but. That's the only condition. 'Cos we be a happy little mag!

MUNGO WANTS TO KNOW...

While we're on the subject of plus-sized, gorgeous, big-titted babes, who in that category (besides Ange) rocks your boat? It's an area we're keen to explore.

A BUNCH OF FUCKEN KLOWNS

DEAR Picture Mag, Anemia Klown from the Killer Klowns here. Just wanted to say I love your work, so much, in fact, that I used one of your July editions to dress up my guitar. It's such a bap-friendly recycling idea, and all the pictures were already sticky for some reason so they went on in a jiffy. Also, we were wondering if you could tell Picture readers about our upcoming show at House, in Devonport, Tasmania, on November 6th. Go to our killerklowns.com.au website for tickets.

A.K., KLOWNLAND,

MUNGO SAYS: November 6? Fuck, everybody'll have time to fucken SWIM there. But yeah, rightio, here's ya free plug. Don't say I don't do anything to support the yartz. I love the yartz, me. Bit scared of clowns, but.

PEEKABOO!

MUNGO, I heard about people hacking porn websites that you're watching and recording your facial expressions and wrist action through the cameras on your phone, tablet, etc, then blackmailing you. Bloody scary, this world we live in! You can't go wrong stroking the snag over the PICTURE mag, but.

L.V., GARDENVALE, VIC

MUNGO SAYS: That could be a bit off-putting if they started giving ya tips on ya technique, or yelled at ya to stop slacking off and put some muscle into it. Otherwise, what's the problem, unless you're ASHAMED of something? Say it loud, I wank and I'm proud. But yeah, when you get down to it, THE PICTURE is safer, more reliable, and doesn't rely on dodgy batteries.

This week's question:
If there was an ice cream truck for adults that sold booze, what song would it play?

GOT A LIGHT?

EVER get that hot, prickly feeling on the back of your neck when you're driving around? It usually means either the cops are following you, or your mate has chucked a lighted durry down the back of your T-shirt for a joke. Brett Niddrie got that exact same feeling when he was cranking up his HQ ute Immortal on the burn-out pad at the Lardner Park Motorfest in Victoria. While applying a delicate bit of toe to the 372-cube Chevy donk, Brett noticed the atmosphere was getting a trifle warm and the view in his wing mirror looked like a barbecue on the seventh level of hell. Still, when your unit is spinning at up around 8000rpm and pumping out 1350hp, these things will happen. Brett gave up racing circuit boats after a bad smash-up and took up burn-outs 'cos it was safer, but at least in his old gig there was plenty of water around to put out any fires.

X RATED X-RAYS!

'Up ya bum' takes on a HOLE new meaning!

WHY people stick weird stuff up their clackers is a mystery to us, especially considering the likelihood it'll get stuck up there, they'll have to go to hossie, the X-rays will be leaked, and they'll end up in THE PICTURE. So we're sorry, youse pervs, but you knew it would happen. ■ Picture

Talking Dirty

PORN WOULD BE WILD

I'VE just turned 40 and I'm slowly coming to the realisation that I will never see you in a porno. Have you ever considered making one? Or have you ever shot a private sex tape just for you and your bloke? How much money would it cost for you to do a video? I'll start fundraising as soon as you say the figure.

SUPERFAN, CANLEY VALE, NSW

TRINITY SAYS: ***Aw, thanks doll. I'm sure there are lots of people that'd love to see me copping a big cock in one of my tight little holes. I've made the odd cheeky vid in my time. Hmm... I wonder how much or how many people would pay to see me fuck? It's an interesting thought.***

FOOTY FEVER

I'M a 26-year-old bloke who's absolutely obsessed with women's feet. My wife knows and has said I can massage other women's feet to satisfy my desires. Nothing creepy, just a fully clothed foot rub. While I've been lucky on some occasions, I've had mostly fuck-ups. I asked a single friend whether she would like a foot massage, but she said no and was nice about it, but now she's avoiding me and my wife. Another girl unfriended me on Facebook after I messaged her and told her I liked her feet. What should I do? Is there a proper way to ask to rub a woman's feet? It's not like I'm asking to suck on their toes or anything.

R.K., VAUGHAN, VIC

TRINITY SAYS: ***Babe, you can massage my feet any day. I have a huge foot fetish. But it's better not to pursue people you know for fetish fulfilment. You can go to a place online called 'FetLife' – they have specific discussion boards, regular fetish events and social groups.***

BIG PROBLEM

THIS may sound like bullshit, but my girlfriend said my dick was too big for anal when we first tried it. Still being keen, we went down to the sex shop and bought butt plugs and Astroglide lube for her to train up with. I actually reckon my dick is pretty normal sized, but I haven't really been up for comparing my tools against me mates'

...DER HOW ...PEOPLE ...PAY TO ...FUCK?"

tools. What's the biggest sized dick that you would consider taking up the arse?

V.M., STRATHDOWNIE, VIC

TRINITY SAYS: *I think six inches is quiet large for anal, but my current man's cock is bigger than that (and fucken fat too!) and I'm scared to give it a crack. But I'm committed so I'm willing to give it a go in the same style as you and your lady. Right now I'm training my arse up so I can take it. His is about nine inches, so wish me luck!*

KEEPING SCORE

I LOVE reading your column, Trin. And I'm fucken envious of the bloke who gets to come home to you every night. What I wanna know is this: what's the most times you've come in a single fuck-session? And what's the secret to multiple orgasms? My missus can't come more than once.

T.K., VIA EMAIL

TRINITY SAYS: *God, I've lost count how many times I've come! At least ten. The secret to multiple orgasms is definitely loads of foreplay and breathing techniques.*

GREY MATTER

I'M SINGLE by choice, 62 years old, and I keep myself in pretty good nick. But I still prefer young sheilas like you, Trinity. When I can afford it, I don't mind paying for the pleasure. I always hear about younger women going for us older blokes. I've had some success with women in their mid to late thirties, and that's been great. But what I really want to know is are you twenty-somethings turned on by us older blokes? What's the oldest bloke you've hooked up with?

THE SILVER FOX, MELBOURNE, VIC

TRINITY SAYS: *When I was 19 I was dating a guy in his mid-fifties, and it was great. I love older men! They're experienced, no drama and really appreciate the young ladies, not like some of these idiot younger guys. Some older guys are very sexy and, as you say, in good nick. I'd have an oldster any day!*

TRINITY'S SEX TIP

There's nothing better than a nice, big, thick cock. I'm just being honest. The feeling of it going in and pumping in and out of you just doesn't compare to the smaller ones. Long, thick cocks – come at me! Small cocked guys – you'd better be good at foreplay!

JERK-FACE

I WAS hooking up with this hot couple I found online and we'd had a few juicy threesomes, and it was great. But this time there was a problem – the guy came on my face after I specifically told him not to. He apologised after and said he was aiming at my tits. But I know he loves facials, so I don't believe him. That cemented my decision to not jump in bed with them again, and I told them why. They think I'm over-reacting, but I'm not going to change my mind. I am interested in what you think about sneaky loads to the face.

HAD-A-GUTFUL, NEWTOWN, NSW

TRINITY SAYS: *It isn't at all OK. Especially as it sounds like you've been very accommodating by being the third wheel in this situation, and you made it very clear you don't like it. Then this guy totally disrespected you by doing it anyway. I totally support your decision not to see them again. People need to respect your choices. What an arsehole!*

DENY EVERYTHING!

RECENTLY, I became separated. After I moved out, my (soon to be) ex-wife found out that I had cheated on her before we got married. I was a different bloke back then. I feel real guilty and would like to think I'll never do it again. My mates say to never admit anything, but I think honesty is important. Should I tell my future girlfriends about my cheating past?

D.C., VIA EMAIL

TRINITY SAYS: *No no no no no! The past is the past, especially if you're a changed man. It will just create unnecessary trust issues, which is drama you don't need. Some things are better left unsaid.*

TRINITY WANTS TO HEAR FROM YOU!

Get up ya SOOK!

FUCK knows why, but picking up heavy shit is a popular form of sport in some parts of the world.

Whereas anyone with an ounce of sense would, when faced with trying to get a massive weight off the ground, simply ask a mate to grab the other end, weightlifters are very show-offy types and insist on doing it all by themselves.

WHO:
ARMENIAN WEIGHTLIFTER ANDRANIK KARAPETYAN

WHERE:
AT THE OLYMPICS IN RIO

WHAT:
DISLOCATED ELBOW

OUCH FACTOR
73%

AT LEAST HE CAN PUT SUNSCREEN ON HIS OWN BACK NOW

So Armenian Olympic picker-upper of heavy stuff Andranik Karapetyan only had himself to blame when his left elbow said "Fuck you!" and refused to cooperate when he went for a big lift in Rio.

While attempting to clean and jerk 195kg, Andy got it over his head then suddenly found his elbow had dislocated and transformed from a one-way hinge to a sort of universal joint arrangement, floppin' around every which way .

Yeah, it probably hurt a fair bit, and yeah, it was gutsy effort, but as if ya couldn't see that coming, eh?

Little bloke. Huge weight. Something's gotta give. Friggin' disaster waiting to happen, we reckon.

Still, you have to give the nuggety champ credit – at only 77kg himself, he was trying to lift something more than two-and-a-half times his own weight.

We'll give him 10 out of 10 for effort, but a big fail on the common sense score.

Anyway, Andy, maaate, next time maybe splash out the dosh and hire yourself a forklift. And GET UP YA SOOK! ■ Picture

BIG BRAIN,
DIRTY MIND
Picture Pin-up
Casey's got a clue and loves to screw!

CASEY CALVERT is one of those brainiac porn stars with university degrees up the wazoo, an opinion on everything and no problem telling you what it is.

And she's an EXTREMELY dirty girl. Make no mistake about that.

Raised in Florida, USA, now resident in LA, the 26-year-old stunner not only does stuff on camera that would make Charlie Sheen blush, she also writes about it for newspapers and websites – with proper punctuation and grammar and everything!

She even took half of her porn name from that of one of her old professors at the University Of Florida.

It's been a hell of a journey for the self-confessed SEXUAL LATE BLOOMER.

"I didn't lose my virginity until I was 21," reveals Casey. "I guess I'm just making up for lost time. But I always knew I had this dirty, kinky, sexy side hidden away.

"I realised that I really liked the part of me that I tried to keep hidden from the world, and I wanted to share her with more people."

Calvert kicked off her porn career doing fetish modelling while still a uni student, then got into cinematic rootin' after moving to Los Angeles.

She admits she had a few butterflies in her flat tummy before her first day ON THE JOB, but not for the reasons you might think.

"I ALWAYS KNEW I HAD THIS DIRTY, KINKY SIDE"

Recalls Casey, "I wasn't nervous about having sex on camera, I was just nervous about doing a good job."

Apparently she done REAL GOOD, 'cos now she's the go-to gal when anyone wants a porn actress for an all-singing, all-dancing, bondage/fetish/S&M spectacular.

"I love shooting all different kinds of porn, from soft and romantic, to hardcore gonzo, to fetish," she explains. "I understand that different people are into different things, and I want everyone out there to be able to get off to me."

She even has a nice little earner going on the side, flogging her USED UNDIES to fans.

"I've gotten some spectacular emails from my panty clients," brags Calvert. "It's fairly harmless, and I make a little money at the same time. It's a win-win."

Trading a whiff of gash for a wad of cash? We told youse this spunk was smart! ■ Picture

ONY!

s Aussie stunner!

HER name is Harmony, her CHEST PUPPETS are 10D, and she knows as much about making blokes crack stiffies as Usain Bolt knows about running fast.

But this HIGHLY ROOTABLE 22-year-old student from Ballina, NSW, isn't interested in shooting any feelthy fap fillums any time soon.

"I'm more into the art side of things," the bubbly blonde reckons. "I'm getting into photography. And artistic nudes. That's why I posed for the magazine."

Does that beaut bod of yours often get an airing?

"I'd be naked all the time if I could. I'm heading to the beach today. Whenever the sun is out, I'm there. And if there's a nude beach around, I know where it is."

What do ya like most about swimming starkers?

"The freedom, mainly. And the thrill that people might be watching me. I'm a bit of an exhibitionist."

Even if ya don't wanna be IN IT, do ya ever watch porn?

"I love having sex while watching lesbian porn. It gets my boyfriend and I really

turned on. We tried it with boy/girl porn but it just wasn't the same."

Why do you reckon that is?

"I think it was just too distracting. The guy in the movie started with all that weird dirty talk, and there was lots of grunting. Lezzo porn is so much softer and gentler. Plus, they put us off our rhythm, so we turned it off."

Have you thought of inviting another chick into your bedroom?

"We really want to have a threesome with another girl. It would turn him on so much. But we still need to find someone who is up for it."

Something tells us that won't be too tough to organise! Ever been with a chick one-on-one?

"I have. It was a one-night stand with a barmaid at a nightclub I used to go to. She straight-up asked for my number and we went home together."

Do you ever have one-nighters with random blokes?

"Not while I have a boyfriend! I don't think he'd be too impressed."

We'll leave the gate open and some lezzo porn in the DVD player just in case you change your mind. ■ Picture

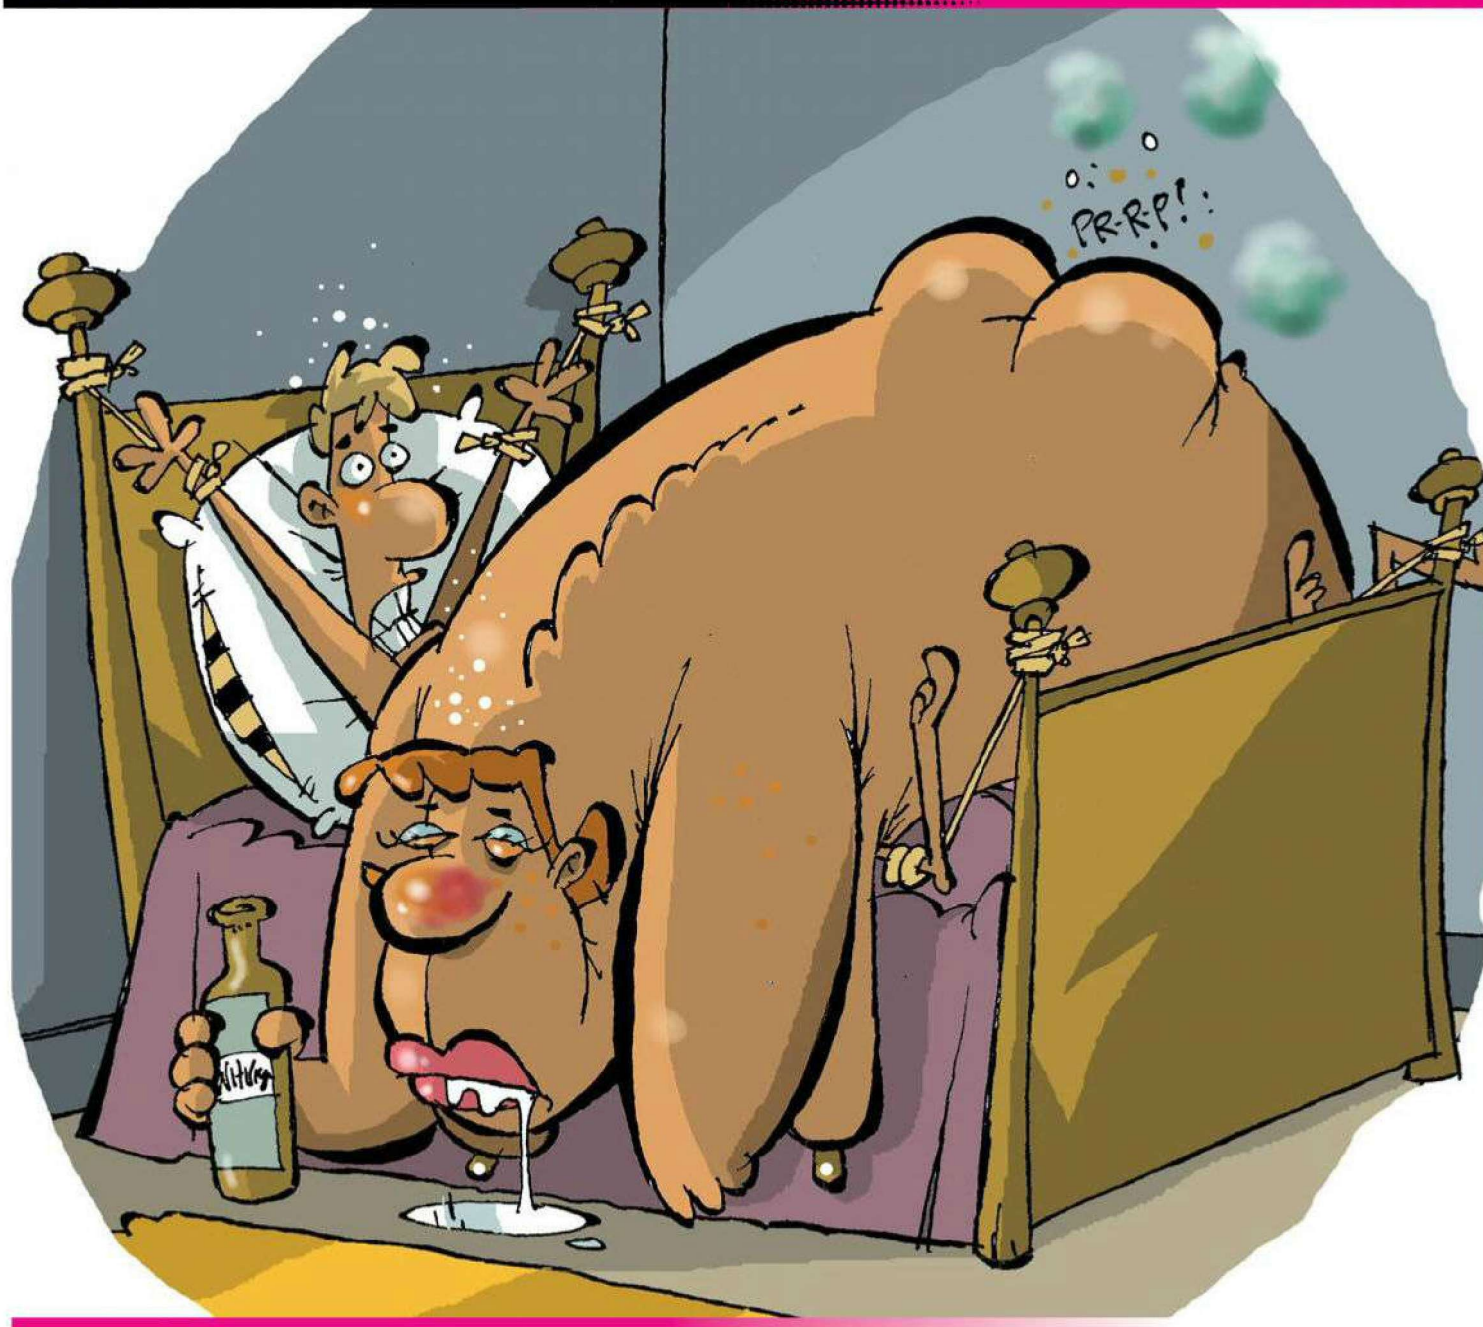
My Worst Fuck



BIG MISTAKE

IT WAS one of those things that seemed like a good idea at the time, which just happened to be after about 15 beers. This large-ish older babe was eyeing me off in the pub, and there was nothing else on offer, so when she suggested we go back to her place I was up for it.

Anyway, we get back to her place and she pulls out a bottle of whiskey and insists I do shots. At first I said nah, I'd prefer a beer, but she got angry so I knocked a couple back while I watched her gargle half the bottle. It didn't seem to mellow her out at all, though, and I was thinking about making a bolt for the door when she grabbed me by the shirtfront and marched me backwards into the bedroom and threw me on my back on the bed.

Using her body weight and taking advantage of my drunken state, she managed to drag all my clothes off and tie my arms and legs to the four corners of the bed. Ok, I thought, first time for everything. She then proceeded to give me the worst blowjob of my life – all teeth – and worse, she kept tryna poke her finger up my arse.

When I objected she muttered, took another swig from her whiskey bottle, scratched her moot and climbed on top of me. I could barely breathe, what with her being kinda heavy and her whiskey breath blasting down on me, but I made a bit of an effort for a while until I realised she wasn't moving any more.

Then she started snoring and I realised she'd passed out. It took me about half an hour to work my hands loose, then shove her off me. It seemed rude to leave without saying anything, so I wrote 'Thanks for a lovely evening' on a post-it note and stuck it on the fridge.

SOB STORY

I HAD always fancied Rob 'cos he was a real looker, if a bit of a mummy's boy. The trouble was he was the squeeze of Chloe, a close girlfriend of mine. But when she gave me the tip she was gunna drop him and the way was clear, I made sure I was around when she broke the news so I could "console" him.

It all went to plan – Chloe gave him the elbow one night when we were all together for a barbie and I immediately went into action. I steered him out to his car – a hotted up Subaru, another reason I fancied him – and suggested he drive us out to the beach so we could "talk".

Well, I didn't do too much talking – as soon as we were parked I went down on him and worked very hard at getting his limp cock up and ready for action. He didn't help much by whingeing on about how Chloe had broken his heart, but I thought he'd get over it once I started sucking his balls while I worked his shaft with my hands. Finally he had a stiffy of sorts, so I pulled my G-banger off and straddled him, impaling myself on his semi, and started a steady hip gyration.

Trouble was, the sook was still practically in tears and wasn't doing anything to help. I tried everything – using my pussy muscles to squeeze his dick, rubbing my tits in his face, and then climbing off to go back down and deep throat him so far down I was nearly gagging.

Eventually I thought this isn't working so I then stripped us both completely naked, straddled his face and sucked his cock as hard as I could. Who doesn't get cheered up by a 69er? But instead of licking my pussy he just lay there quietly sobbing. I gave up and told him to drive me home where I fucked myself with my 10 inch black rubber dildo. Fucken sook!

THE idea of fucking another bloke's missus while he watches had never really occurred to me, but when this hot, tanned 30-something married babe in shorts and a tight T-shirt starts flirting outrageously with me at a mate's barbecue it suddenly seems like the most natural thing in the world.

Her hubby is sitting only a couple of metres away as she shoves her tits into my face and strokes my thigh, and when I look over at him he just raises his glass and winks, so I'm thinking it's all cool. By the time the barbie winds up she's practically wanking me off through my cargoes, and then the hubby comes over and says: "I suppose you'll be coming home with us then?" I just nod.

When we get back to their place I'm a bit worried how it's gunna play out, but the hubby just plants himself in an armchair and keeps grinning as the babe kneels in front of me, pulls out my cock and starts sucking me off. So far, so good. OK, so we all head into the bedroom where she and I get naked and get on the bed, and still the hubby is just grinning and watching. But I notice his grin is getting a little forced and he doesn't seem so happy any more.

She's still sucking me off, then climbs on top to ride me – fantastic hip action, by the way, no complaints there – the husband is standing there with his cock out having a wank. And then he starts with the nasty talk. "Yeah, you fucken slut, take it you skanky whore," and shit like that. Frankly, it makes me a little nervous, especially when she starts insulting him back and calling him a limp-dicked pussy and a lousy fuck and all that.

Next thing, they're having a full-on raging argument standing nose-to-nose in the bedroom and I just grab my clothes and fuck off. It wasn't nearly as good as I thought it was gunna be.

GO HARD! GO HOMIES!

This week...

BEAUT BUM ASK THE HOMIES FLASHBACK TOP TITS

"I've had a threesome in public with two other women"

ALEXA
ST LUCIA, QLD

Twenty-year-old Alexa certainly doesn't limit her options. "I love being with men and women; the more the merrier. The most people I've been with is five at a party. I don't really remember how it started, but there were three girls and two guys. But probably the most outrageously sexy thing I've done is have a threesome in public with two other women." ***We'd like to hear more.*** "It was on a football field. One of the girls suggested it and I never back down from a bit of fun, so we did it." ***Anyone cheer you on?*** "No-one watched from what I knew. I was too busy face-deep."

HAVE YOU EVER ROOTED YOUR BEST FRIEND? "I have, and it affected the relationship. They developed feelings and it just got too hard."

"We made out for an hour in the bathroom"

JULIE
BLUE MOUNTAINS, NSW

"I'm a high school teacher, and I'm very passionate about the job," says 27-year-old Julie. ***Your students will be passionate about your job when they see these photos.*** "No, I just resigned from the school to get more holidays for myself." ***Carn Julie, who gets more holidays than teachers! Does anything FILTHY go on behind the scenes at school?*** "I was flirting with one of the parents from my school and every time I met him, I put my sexy clothes on when finally we went dating. One day he took me to the corner of the school when I finished late and we made out for an hour in the bathroom before the cleaner lady came."

HAVE YOU EVER ROOTED YOUR BEST FRIEND? "It was my mate. We ended up falling in love. We became official, but it didn't last long and we're back as normal buddies again."

HARMONY
NIMBIN, NSW

"I love a good bush and trimming the edges," says Harmony, who unsurprisingly is a horny horticulturalist. She tells us she's in her "dirty thirties" and is after "a man who is not afraid to use a vibrator". ***We'll not go into too much detail about what you want the bloke to do with your mechanical buddy.*** "He also has to be a skilled lover." ***Of course. What do you like about your body?*** "I've got nice real tits. Nunna that fake stuff." ***You beauty. Do you get it on in some natural outdoor settings, too?*** "I live in Nimbin. Stupid question."

HAVE YOU EVER ROOTED YOUR BEST FRIEND? "I had sex with a childhood friend who was gay. But I managed to turn him. We are still friends after many years. However, he soon went back to being gay. Oh well, it was fun while it lasted."

BROOK LOGAN
HIGHGATE, WA

Good news, Gramps! "I love older guys and my clit being played with," reckons 23-year-old model Brook Logan. "My ideal man would have to be funny, with a good sense of humour and loyal." ***What happens when you meet up in person?*** "I love anal sex every now and again – I love my peachy arse cheeks." ***Would ya look at that, we've got something in common – we also love your peachy arse cheeks! Are you just into blokes?*** "No. I was once on a night out with some friends, and this chick I met in there was bisexual, too. So we got talking and drinking together in the club, but ended up getting very drunk together. After a lot of drinks we were both so horny, so we got up to naughty stuff in the club toilets."

HAVE YOU EVER ROOTED YOUR BEST FRIEND? "I had lesbian sex with my best girlfriend. That was really hot."

ALICE

"I love hot girls who are tomboys. Do you like other blokey pursuits like beer and porn?"
DAVID, NORMANTON QLD
ALICE SAYS: "I've always been a bit of a tomboy; I was the only girl with three brothers. I love Coronas with lime and occasionally a whisky on the rocks when I'm out. Who doesn't love porn? Beer, porn and women; I swing both ways, so it can be fun."

STORM
WINDALE, NSW

$30 ASK THE HOMIES

"I'd love to go out with a girl as good looking as you. What sort of guys do you like?"
JOHN, WHYALLA, SA
STORM SAYS: "Thanks; that's lovely. I like a real man. When it comes to appearance, I can't stand those girl-looking boys. He must have a big heart, have a great sense of humour and be a family man. Thanks very much for your question."

"She was squeezing my head with her thighs"

SIENNA
BATHURST, NSW

"I had a four way on skateboards at an oval," says 22-year-old Sienna. "The men were watching while us girls got it on. We had a few bourbons between us and the next thing I know a girlfriend is sitting on the skateboard and we're taking each others' clothes off while she's squeezing my head with her thighs and all the boys are cheering." ***They didn't join in?*** "They definitely could have, but they appreciated the view more as us ladies were teaching them a thing or two about how to properly please a woman."

HAVE YOU EVER ROOTED YOUR BEST FRIEND? "Yes I have; a childhood friend. I always had a crush on him as a kid so that was a big special deal for me. However, it got him in a bit of trouble with his 'open' girlfriend. I think she was a little jealous."

Home Girls

"I love pain, rough and dominating sex"

KRISS
BIRKDALE, QLD

"I can squirt like a porn star," says 29-year-old BDSM fan Kriss. "All girls can squirt; they just gotta have the right man doing the pumping." ***What tips do you have for wannabe SQUIRTERS?*** "Just let it flow." ***Did your first squirt give you a sopping wet surprise?*** "It surprised me. The guy was very hands on and knew what he was doing. All I can say is the wet patch I had to sleep in all night was well worth it." ***What is the go with BDSM?*** "I love pain, rough and dominating sex! There is nothing more sexy than an alpha man just up on you, owning your arse and pussy like there is no tomorrow. He knows what he wants and he wants it now."

HAVE YOU EVER ROOTED YOUR BEST FRIEND? "I have and it did not end well. Better not to go there at all."

TIFFANY'S TOP NUDE SPORTS

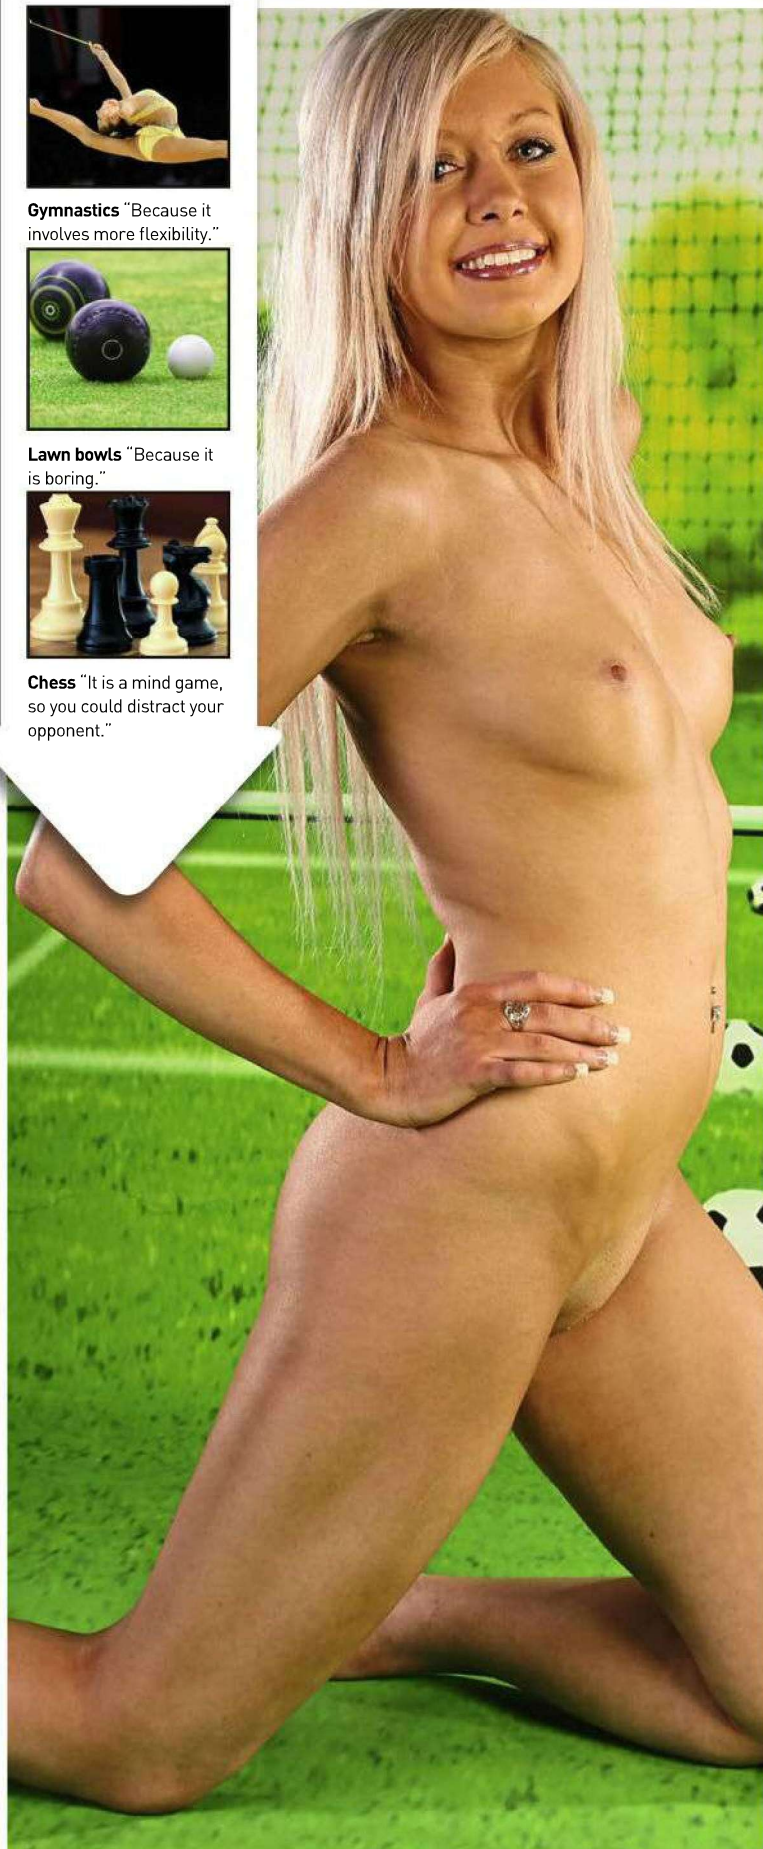
Lawn bowls "Because it is boring."

Chess "It is a mind game, so you could distract your opponent."



$400 HOBBIE HOMIE

"Yeah, I like to watch them; I like to watch sports like football." ***What is your A-League team of choice?*** "Adelaide United have been my favourite for years." ***Fitting, as you have quite a fine back line. Have you even played the game?*** "A bit when I was younger. I thought I was OK." ***Well, if you decide to get back to playing with balls, we have plenty of volunteers offering them up here in the office.***

HAVE YOU EVER ROOTED YOUR BEST FRIEND? "No, I'm very careful not to do that sort of thing. It'd be super weird if I woke up nude next to my best friend."

SUCCUBUS

MELBOURNE, VIC

This gorgeous metalhead is changing the way we think about internet porn, one stiffy at a time. ***What's your website called?*** "I'm glad you asked. It's called demoniccunt.com. Some people find it really offensive – and I like that," grinned the 24-year-old. ***Are YOU the DEMONIC CUNT?*** "Yes, I've been called that before. I'm not into religion, though. I prefer having fun and taking my clothes off." ***So no bats are gunna fly out of your arse or anything?*** "No, it's all sexy fun by myself or with other girls. I'm actually making a video for it today." ***We'll alert the Pope.***

"I'm making a video with other girls"

"My man has used a lollipop on me"

CANDICE

GOLD COAST, QLD

When we called Candice, she was watching TV. "*Ready Steady Cook* was just on. I like cooking and learning new things," the 21-year-old waitress explained. ***Did they teach you how to hide the sausage?*** "No, but my sex life is really good at the moment. Food is a good way to a man's heart, but so is a sexy woman's body." ***Maybe you should combine the two…*** "The closest we've come is using a lollipop on me. I love experimenting and doing new stuff with my man." ***What's on for the rest of the arvo?*** "*Neighbours* will be on later – watching it is a bit of a ritual for me." ***And watching YOU is probably a ritual for your neighbours.***

MISS POCKY
SYDNEY, NSW

This 26-year-old is destined for Home Girls INFAMY. "I grew up near a nude beach in South Australia called Maslin Beach. I'd run down the beach unclad and it'd feel free and liberating." ***Where do you STRIP OFF now?*** "Around the house at parties; anywhere really. I'm more comfortable nude than in clothes. I really want to streak at a football game; it's on my bucket list." ***Our bucket list includes watching you in a porn flick. Ever been filmed having sex? Or wanted to?*** "I've only done amateur home movies with former partners. I looked into porn and they don't pay enough. I've been searching for a doppelganger who looks just like me so we can make a lesbian porno together."

HAVE YOU EVER ROOTED YOUR BEST FRIEND? "No comment."

CHLOE ROSE
CAIRNS, QLD

"I'm a nudist at heart," says 22-year-old Chloe Rose, who is obviously a born natural Homie. "What's not to love about posing nude? I love being naked, other people love me being naked. Everyone wins." ***What champion things does your body get up to STARKERS?*** "One time I found myself in a hot, steamy shower orgy. After a fabulous night at work and a few too many shots, my girlfriend and I decided to have a shower together. Some male colleagues must have heard us, because next thing you know they joined us. We all got in a little trouble over that." ***Had you done any GROUP ROOTING before?*** "No, but it's ticked off my bucket list now." **HAVE YOU EVER ROOTED YOUR BEST FRIEND?** "Yes. It changed our friendship a little… now we can't stop hooking up."

$400 HOMIE OF THE WEEK

MIYU
CARLTON, VIC

"I'm having trouble finding a guy who doesn't immediately get attached to me," complains 23-year-old Miyu, who's clearly hanging out with the wrong blokes. "All I want is a man who wants to have sex occasionally without dating." ***You've flipped the table now, Miyu. Where are you meeting these LOVE BIRDS?*** "Most of them are friends of friends who, after we have sex, think that we're dating but I'm like, 'That's not how it works, buddy!'" ***Head down the boozer on a Saturday night and you'll have no trouble finding a bloke that'll never wanna see you again after the next morning.*** "Well, I don't want that exactly. I want a guy I can have great, passionate sex with but still respects me."

HAVE YOU EVER ROOTED YOUR BEST FRIEND? "No. I did kiss my best friend from high school on a drunken night out, though."

GO FACT YOURSELF!

DEATH BY SEX

01. Matthew McConaughey's dad Jim croaked of a heartie while on the job with the actor's mum, Kay. She wrote in her book, *I Amaze Myself*: "I knew that something was wrong, because I didn't hear anything from him. Just nothing. But it was just the best way to go!"

02. Kirsten Taylor, 29, was electrocuted by her electric nipple clamps while having kinky sex with her husband Toby in Craley, Pennsylvania, USA, in 2008. Toby, who was in charge on the on-off switch, was charged with involuntary manslaughter.

SIZE Really Does Matter!

DO YOU WANT A BIGGER, THICKER, LONGER PENIS?

PENIS SCIENCE 101

When it comes to the chemistry and mechanics of the penis there are many components to take into account. Unfortunately most pills on the market, even prescription pills, only address one, maybe two of these components. You probably know that testosterone is a major trigger for penis function but what about nitric oxide ? Medicos have long known of the benefits of nitric oxide but it was only recently that the wonders of this molecule and its role in the function of the male member was discovered. So important was the discovery that the three pharmacologists who made the discovery were awarded the Nobel prize. Nitric oxide works on the vascular system and is an integral component in aiding the flow of blood into the penis thus providing for maximum growth potential.

CONCENTRATED FORMULA

The ingredients of Testrone with Tongkat Ali have been shown to increase both testosterone and nitric oxide in the blood. Only the strongest potency herbs are used in our formula. The Tongkat Ali is imported from the most reputable sources in Asia. This herb has been used by men throughout Asia for centuries to increase desire, libido and performance in the bedroom
